ABSTRACT

This document presents a compilation of possible formats for questions which can be used in preparing follow-up questionnaires for community/junior college students. The compilation resulted from the review and selection of pertinent questions from approximately fifty follow-up questionnaires obtained from sources both within and outside of Texas. The listed questions and formats have been categorized according to "subject area of question". The eleven categories include: (1) objective and/or reason for attendance; (2) satisfaction of intent; (3) withdrawal and/or discontinuation information; (4) employment status and/or information; (5) transfer status and/or information; (6) present status (miscellaneous); (7) opinion of college services; (8) additional assistance needed; (9) future plans and/or interests; (10) employer questions; and (11) miscellaneous questions. MEMORANDUM

April 17, 1975

TO: Recipients of Questionnaire Generator File

FROM: Dr. Jim F. Reed

SUBJECT: Project FOLLOW-UP Questionnaire Generator

Documented on the following pages are possible formats for questions which could be utilized in preparing follow-up questionnaires for community/junior college students. This listing was obtained by a review and selection of pertinent questions from approximately fifty follow-up questionnaires which were received from sources both inside and outside the State of Texas. Additional questions have also been added by the Project staff. The generation of this listing will hopefully save some of the time often spent in "requesting copies of other institution's questionnaires" when a follow-up study is being contemplated.

This listing has been categorized by "subject area of question" for ease in utilization. These categories (with appropriate letter designation) are:

B. OBJECTIVE AND/OR REASON FOR ATTENDANCE
C. SATISFACTION OF INTENT
D. WITHDRAWAL AND/OR DISCONTINUATION INFORMATION
E. EMPLOYMENT STATUS AND/OR INFORMATION
F. TRANSFER STATUS AND/OR INFORMATION
G. PRESENT STATUS (MISC.)
H. OPINION OF COLLEGE SERVICES
I. ADDITIONAL ASSISTANCE NEEDED
J. FUTURE PLANS AND/OR INTERESTS
K. EMPLOYER QUESTIONS
L. MISCELLANEOUS QUESTIONS

The above letter designators (B, C, D, E, etc.) correspond with the question code numbers preceding each line of the individual questions

JC 760 588

(i.e. QC would be a "satisfaction of intent" question, QH would be an "opinion of college services" question, etc.). We suggest that tabs be inserted (by category of question) for ease in utilization.

If we can provide additional information or answer questions relative to the contents of this booklet, please let us know. Thank you.
